

LABOUR MARKET PARTNERSHIPS

PROGRAM INFORMATION

Labour Market Partnerships (LMP) funds projects that encourage and support employers, employees, and/or employer associations and communities in developing and implementing strategies for dealing with labour force adjustments and meeting human resource requirements.

ELIGIBILITY INFORMATION

Eligible organizations on Prince Edward Island may include:

- Businesses, organizations, municipalities, band/tribal councils, and public health and educational institutions.
- Proposed activities must focus on an identified labour market issue and be assessed as likely to have a positive impact on the labour market. All activities must involve partnership. Within these parameters, **Labour Market Partnerships** may support activities related to human resource planning and labour force adjustment.
- Activities funded under **Labour Market Partnerships** may include related research, development of human resource strategies, promotion of beneficial human resource and adjustment practices (best practices), coordination of community-based approaches to addressing labour market issues, short-term adjustment services for workers facing lay-off, and development of economic (employment) development plans and community marketing plans.
- Activities must have defined start and finish dates and not be part of a sponsor's day-to-day operations.

Other criteria may apply.

WHAT ARE THE FINANCIAL BENEFITS?

Funding under **Labour Market Partnerships** may be provided to cover overhead costs such as wages and employment costs, research or technical studies, and other related costs and eligible expenses negotiated with program officials.
